

Important Plan Information
see your contract for specific details.

Required Maintenance To Keep Your Contract In Force Or Transfer Your Contract:

In order to keep your contract in force or transfer your contract, the covered vehicle must be maintained according to the manufacturer's specifications. Proof of maintenance may be required. The performance of normal maintenance services are not covered under your contract.

Prior Authorization: Prior to starting repairs, you or the repair facility must contact the Administrator at 800-322-3933. Customers in Florida call 800-247-9469. If a mechanical breakdown occurs outside the Administrator's operating hours, the Administrator must be contacted during the next business day. Failure to obtain authorization prior to repairs may result in nonpayment.

Exclusions:

Your contract may not cover or apply to certain conditions. Please refer to the General Contract Exclusions section of your contract.

Cancellations: You can cancel your contract at any time. See your contract for specific details.

Administered by GE Capital Management Corporation. In Florida, Wisconsin, and Arizona, issued and administered by GE Capital Administrative Services, Inc. Florida License # 60079. Also issued by Heritage Mechanical Breakdown Corporation in Florida, License # 60072. PO Box 140057 Denver, CO 80214-0057

imagination at work

Quality and Value
you can count on.

GE Auto Warranty Services has 25 years of proven experience in the vehicle service contract industry. The reliability of our infrastructure is backed by over \$700 billion in assets. Our vehicle service contracts are fully insured.

Our commitment to service excellence, process efficiency, and technology innovation allows us to consistently exceed customer expectations.

We are here so you can enjoy the drive!

Peace of Mind
important benefits
included with your
coverage.

ROADSIDE ASSISTANCE We want you to feel safe while on the road. With emergency roadside service you can receive 24/7 assistance with lockouts, tire changes, jump starts, fluid delivery, and towing. Help is just a phone call away.

CAR RENTAL We understand that your vehicle is often a necessity. We provide reimbursement for a replacement vehicle while your covered vehicle is being repaired.

TRIP INTERRUPTION We want you to feel comfortable. If your vehicle has a covered mechanical breakdown while away from home, we provide reimbursement for required meals and lodging.

TRANSFERABILITY If you sell your vehicle within your contract terms, the remaining coverage can be transferred to the new owner, enhancing the resale value.

FLEXIBILITY If you are unable to return to your selling dealership for repairs, we offer you the choice of the licensed repair facility that is most convenient for you.

SERVICE With efficient customer focused processes, and claims representatives averaging 15 years of industry experience, we provide quick and accurate claims resolution.

PLEASE SEE YOUR CONTRACT FOR SPECIFIC DETAILS.

Protection that saves you money.

The 4 Star and 4 Star Plus Programs offer comprehensive stated component protection against costly repairs. Your coverage could cost less than paying for one moderate failure!

Sample Savings:

Component, System, or Part	Estimated repair cost WITHOUT 4 Star Coverages*
Engine Overhaul	\$4,500
Transmission Overhaul	\$3,500
Drive Axle Repair	\$650
Front Suspension	\$600
Air Conditioning	\$875
Power Steering	\$800
Electrical	\$600

* These costs are for demonstration purposes only and are anticipated prices after 3 years based on industry averages.

You choose the deductible level that best suits your needs including an option to have your deductible waived when you return to your issuing dealer for service. Deductibles apply to each repair visit.

COMPONENTS COVERED on the 4 STAR program*

ENGINE

Engine block; cylinder head; rotor housing; oil pan; valve cover; timing cover; all internally lubricated parts contained within the engine; oil pump; timing chain, gears and tensioners; timing belt and tensioners; balance belt; variable valve camshaft adjuster; intake and exhaust manifolds; harmonic balancer; engine mounts; water pump; flywheel; flexplate

TRANSMISSION, TRANSAXLE & TRANSFER CASE

(Automatic and Standard)

Case housings; housing covers and pans; all internally lubricated parts contained within the housings; torque converter; viscous coupling; vacuum modulator; transmission mounts

DRIVE AXLE (Includes transaxle and 4WD vehicles)

Front and rear drive axle housings and covers; all internally lubricated parts contained within drive axle housings; axle shafts; constant velocity joints and boots; driveshafts; universal joints; flex discs; driveshaft center support bearing; driveshaft yokes; 4WD engagement actuators and motors; 4WD locking hubs

SUSPENSION

Upper and lower control arms, their shafts and bushings; control arm thrust rods, their bushings and links; ball joints; hub and wheel bearings; steering knuckles/spindles; stabilizer bar, bushings, and links; coil springs; leaf springs, their shackles and bushings; and torsion bars and their mounts

STEERING

Steering gear; rack and pinion housings, and all internally lubricated parts contained within the housings; power steering pump and its reservoir, pulley, and mounting bracket; power cylinder assembly; steering column shaft, its couplings and bearings; tie rod ends; pitman arm; idler arm, and all other steering linkages

BRAKES

Master cylinder; vacuum or hydro booster; wheel cylinders; calipers; vacuum pump; brake pedal assembly; equalizer and distributing valves; parking brake assembly; ABS electronic control unit, wheel speed sensor, and exciters; ABS proportioning control valves and high-pressure hydraulic pump

FUEL

Fuel injectors; fuel pump; fuel sender assembly; waste gate; intercooler; supercharger pulley; fuel pressure regulator; fuel tank; all turbocharger or supercharger internal parts and housings

COOLING

Radiator and its brackets; thermostat, cooling fan motor and relay; fan clutch; fan shroud; fan blades; coolant recovery tank

ELECTRICAL

Starter motor; starter solenoid; alternator and its mounting bracket; voltage regulator; wiper motor; power seat motors and relays; power window motors and relays; electric driver and passenger door lock actuators; window washer fluid pumps; all manually operated switches; wiring harness; oil pressure sending unit

INTERIOR CLIMATE & COMFORT

Air conditioning compressor; clutch; pulley, and its mounting bracket; accumulator; receiver dryer; evaporator; condenser; idler pulleys and bearings; serpentine belt tensioner; expansion valve; orifice tube; air conditioning pressure switches; blower motor and fan

SEALS & GASKETS

Seals and gaskets for all parts listed above

4 Star Program Options

HYBRID ELECTRIC VEHICLE

High voltage hybrid battery; power inverter assembly; drive motor assembly; generator assembly; hybrid cooling system blower motors and pumps; hybrid system stator and rotor; all hybrid system control units and sensors

POWER TECH & ELECTRONICS

Manual and power window regulators; power antenna motor and mast; power trunk or tailgate actuator and motor; power headlight door motors and actuators; power sunroof motor; convertible top lift motor; power seat motor transmission and cables; power mirror motors; cruise control assembly; speedometer; odometer; fuel gauge; tachometer; volt and amp gauge; temperature gauge; trip computer control module and display; factory installed electronic combination entry and anti-theft devices; transmission and transfer case control modules; ignition control modules; fuel injection control modules; fuel injection sensors; electronic air conditioning control head and module

*Please refer to your contract for specific coverage details.

4 STAR PLUS program COVERAGE*

4 Star Plus coverage includes ALL the components listed for 4 Star coverage, including Hybrid Electric Vehicle and Power Tech & Electronics, AND the added components listed below:

ADDITIONAL SUSPENSION

MacPherson struts; electronically controlled variable suspension struts and their switches; air suspension bags or springs and compressor

AIR CONDITIONING

Heater core; heater control valve; control cables; ducts; plenum doors; blower motor resistor; condenser cooling fan motor; manual climate control head

ADDITIONAL FUEL

Carburetor; throttle body; throttle cable and linkage; accelerator pedal assembly

BODY HARDWARE

Bumper impact absorbers; hood and trunk latches and their cables; hood and trunk hinges and their springs or torsion bars; hood and trunk hydraulic lift supports; door hinges; door handles; glove box lock assembly; ignition lock assembly; manual seat track assembly; and door jamb switches

ACCESSORIES

Heated seat grids; horn and horn relay; rear window defogger/defroster; memory seat and memory steering wheel motors, switches, activators, sensors, and control module

UTILITY PACKAGE

Step bumpers and their mounting brackets; spare tire carrier or swing arm, latch, and lock; swing away mirror (does not include mirror glass breakage); bed liner; tailgate handles, locks, hinges, latches, and cables; tool storage boxes; interior storage racks; skid plates; tow and cargo tie-down hooks; power winch motor, its controller and wire harness; power winch roller; brush and headlight guards; trailer hitch receiver, insert, and plug receptacle; and auxiliary fuel tank and its switch over valve

ENHANCED ELECTRONICS

Global Positioning System (GPS) or other navigational/motorist assistance system. Heads up display (HUD) projector and display module; factory installed radio, amplifier, tape player, dash mounted CD player, DVD player; dash mounted graphic equalizer; engine control modules and sensors; ignition coils; ignition distributor; IAC motor; and electronic suspension control module and its sensors
