

Important Plan Information
see your contract for specific details.

Required Maintenance To Keep Your Contract In Force Or Transfer Your Contract:

In order to keep your contract in force or transfer your contract, the covered vehicle must be maintained according to the manufacturer's specifications. Proof of maintenance may be required. The performance of normal maintenance services are not covered under your contract.

Prior Authorization: Prior to starting repairs, you or the repair facility must contact the Administrator at 800-322-3933. Customers in Florida call 800-247-9469. If a mechanical breakdown occurs outside the Administrator's operating hours, the Administrator must be contacted during the next business day. Failure to obtain authorization prior to repairs may result in non-payment.

Exclusions:
Your contract may not cover or apply to certain conditions. Please refer to the General Contract Exclusions section of your contract.

Cancellations: You can cancel your contract at any time. See your contract for specific details.

Administered by GE Capital Management Corporation. In Florida, Wisconsin, and Arizona, issued and administered by GE Capital Administrative Services, Inc. Florida License # 60079. Also issued by Heritage Mechanical Breakdown Corporation in Florida, License # 60072.

**GE Money
Auto Warranty Services**

**Star Cool &
Star Fuel**

**Quality and Value
you can count on.**

GE Auto Warranty Services has 25 years of proven experience in the vehicle service contract industry. The reliability of our infrastructure is backed by over \$700 billion in assets. Our vehicle service contracts are fully insured.

Our commitment to service excellence, process efficiency, and technology innovation, allows us to consistently exceed customer expectations.

We are here so you can enjoy the drive!

**Peace of Mind
benefits included with
your coverage.**

ROADSIDE ASSISTANCE We want you to feel safe while on the road. With emergency roadside service you can receive 24/7 assistance with lockouts, tire changes, jump starts, fluid delivery, and towing. Help is just a phone call away*.

CAR RENTAL We understand that your vehicle is often a necessity. We provide reimbursement for a replacement vehicle while your covered vehicle is being repaired*.

TRIP INTERRUPTION We want you to feel comfortable. If your vehicle has a covered mechanical breakdown while away from home, we provide reimbursement for required meals and lodging*. (Not available in WV or HI).

TRANSFERABILITY If you sell your vehicle within your contract terms, the remaining coverage can be transferred to the new owner, enhancing the resale value*.

FLEXIBILITY If you are unable to return to your selling dealership for repairs, we offer you the choice of the licensed repair facility that is most convenient for you*.

SERVICE With efficient customer focused processes, and claims representatives averaging 15 years of industry experience, we provide quick and accurate claims resolution*.

* PLEASE SEE YOUR CONTRACT FOR SPECIFIC DETAILS.

Protection that saves you money.

The Star Cool & Star Fuel Programs provide essential coverage designed to protect key components in the vehicle.

These affordable programs protect against costly repairs and the coverage could cost you less than paying for one moderate vehicle failure!

Sample Savings:

Component, System, or Part	Estimated repair cost WITHOUT Star Cool or Star Fuel Coverage*
Engine Overhaul	\$4,500
Transmission Overhaul	\$3,500
Drive Axle Repair	\$650

* These costs are for demonstration purposes only and are anticipated prices after 3 years based on industry averages.

You choose the deductible level that best suits your needs, including an option to have your deductible waived when you return to your issuing dealer for service. Deductibles apply to each repair visit.

Components covered on the STAR FUEL Program*:

ENGINE

Engine block; cylinder head; rotor housing; oil pan; valve cover; all internally lubricated parts contained within the engine block, rotor housing, and cylinder head; oil pump; timing chain, gears, and tensioners; timing belt and tensioners; balance belt; variable valve camshaft adjuster; intake and exhaust manifolds; harmonic balancer; engine mounts; water pump; flywheel; and flexplate

TRANSMISSION, TRANSAXLE, and TRANSFER CASE (Automatic and Standard)

Case housings; housing covers, and pans; all internally lubricated parts contained within the transmission, transaxle and transfer case housings; torque converter; viscous coupling; vacuum modulator; and transmission mounts

DRIVE AXLE (Includes transaxle and four (4) wheel drive vehicles)

Front and rear drive axle housings and covers; all internally lubricated parts contained within the drive axle housings; axle shafts; constant velocity joints and boots; driveshafts; universal joints; flex discs; and driveshaft center support bearing; driveshaft yokes; four (4) wheel drive engagement actuators and motors; and four (4) wheel drive locking hubs

BRAKES

Master cylinder; vacuum or hydro booster; wheel cylinders; calipers; equalizer and distributing valves

FUEL

Fuel injectors; fuel pump; fuel sender assembly; all internal parts of the turbocharger, supercharger, and their housings; fuel pressure regulator; and fuel tank

SEALS AND GASKETS

Seals and gaskets for all parts listed above

Components covered on the STAR COOL Program*:

ENGINE

Engine block; cylinder head; rotor housing; oil pan; valve cover; all internally lubricated parts contained within the engine block, rotor housing, and cylinder head; oil pump; timing chain, gears, and tensioners; timing belt and tensioners; balance belt; variable valve camshaft adjuster; intake and exhaust manifolds; harmonic balancer; engine mounts; water pump; flywheel; and flexplate

TRANSMISSION, TRANSAXLE, & TRANSFER CASE (Automatic & Standard)

Case housings; housing covers, and pans; all internally lubricated parts contained within the transmission, transaxle and transfer case housings; torque converter; viscous coupling; vacuum modulator; and transmission mounts

DRIVE AXLE (Includes transaxle and four (4) wheel drive vehicles)

Front and rear drive axle housings and covers; all internally lubricated parts contained within the drive axle housings; axle shafts; constant velocity joints and boots; driveshafts; universal joints; flex discs; driveshaft center support bearing; driveshaft yokes; four (4) wheel drive engagement actuators and motors; and four (4) wheel drive locking hubs

COOLING

Radiator; fan motor and relay; thermostat; fan shroud; fan clutch; fan blades; and coolant recovery unit

INTERIOR COMFORT AND CLIMATE (Factory or dealer installed with factory approved parts only)

Air conditioning compressor, clutch, pulley, and its mounting bracket; accumulator; receiver dryer; evaporator; condenser; idler pulley and bearing; serpentine belt tensioner; expansion valve; orifice tube; air conditioning pressure switch; and blower motor and fan

SEALS AND GASKETS

Seals and gaskets for all parts listed above

Coverage OPTION for Star Fuel and Star Cool*

POWER TECH AND ELECTRONICS: Manual and power window regulators; power antenna motor and mast; power trunk or tailgate actuator and motor; power headlight door motors and actuators; power sunroof motor; convertible top lift motor; power seat motor transmission and cables; power mirror motors; cruise control assembly; speedometer; odometer; fuel gauge; tachometer; volt and amp gauge; temperature gauge; trip computer control module and display; factory installed electronic combination entry and anti-theft devices; transmission and transfer case control modules; ignition control modules; fuel injection control modules; fuel injection sensors; and electronic air conditioning control head and module

* Please see your contract for specific exclusions and limitations.
